

## Conventional Armbands

Medirex supplies a wide variety of high quality "conventional style" patient identification armbands. Each style of armband is specially designed for increased security and ease of use to provide greater convenience and versatility. Besides Adult versions, the armbands are also available in Pediatric, Infant, and Mother/Infant versions. Armbands are available with either a snap or adhesive closure. Medirex also supplies the accompanying Thermal and Laser Labels for the appropriate armbands.

Styles of armbands include:

- Direct Thermal Printing Bands
- Thermal Transfer Bands
- Imprinter Bands
- Insert Bands
- Write-On Bands
- Alert Bands
