

Medirex Systems Inc.

Medirex Systems Inc. is a Communications Improvement Company that delivers information solutions for healthcare by integrating people, processes and technology.

Our Objective is to Deliver...

- The right information
- On the right record
- For the right person
- In the right form
- At the right place
- At the right time

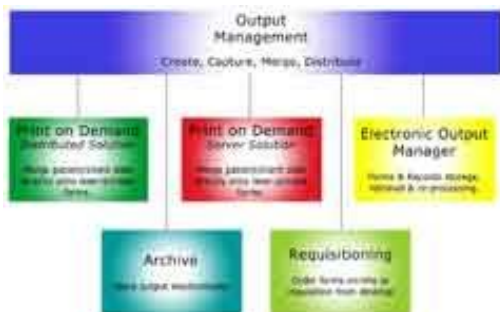

Laser Carbonless Paper

Print your multiple-part forms on demand with today's high-speed copiers and laser printers.

Output Management Solutions

Print on Demand and Forms Management tools that improve patient care, reduce costs, and automate routine tasks.

Laser Printed Wristbands

Generate laser printed wristbands with or without barcodes that print automatically at Patient

Registration along with face sheets and other chart or financial forms.
